34. What are some strengths of		nal Leaders	ship prog	ram?			
34. What are some strengths of Had me broaden my vision and thin		nal Leaders	ship prog	ram?	20	016	4474

A focus on building relationships and collaboration	2017	9029
The material presented in our classes was ahead of what was happening in schools.	2018	13286
The site visits are excellent. We visit classrooms and meet with teachers over our observations. This was very helpful.	2018	13304
contact with professors and others in the program; provided strong understanding of the ISLC standards	2018	13311

Convince and professors who has actual experience.	2018	13315
Focus on urban school leadership.	2018	13356
Instructors were knowledgeable and helped me understand the art of educational leadership; the opportunities provided to observe and intern were very helpful	2019	18359
The work in the program was practical and relevant to my work in urban schools.	2019	18377
Most of the professors were well versed in the field and provided insite to what was coming.	2019	23949
Working in a cohort on case studies, readings, projects and assignments.	2020	29314
Cohort design allows for critical friends and feedback	2020	29346
It is paired with the learning I received during my residency at NEHS.	2020	29403
It was discussion and problem solving based.	2020	29434
An opportunity to speak with people implementing the work.	2020	29471

35. What are some areas for improvement for the Educational Leadership program?		
Need more HR'centric experiences and training	2016	4474
Some courses were redundant	2016	4523
A focus on using data to drive instruction. Using data for effective school leadership.	2017	9029
Need some kind of shadowing experience.	2018	13286
We really need to start discussing the opening of school during the summer, not in a late fall meeting. The timing of our meetings seems to come after we needed the information.	2018	13304
"More real world scenarios and preparation and less ""ideal"" scenarios"	2018	13315
Less educational theory. More of a focus on daily practices.	2018	13356
More information in Trauma Senstitive Schools and SPED.	2019	18377
I believe that there were a few of the professors who were out of touch with public education and struggled to understand what was currently going on in school. They did focus on pushing their own agendas.	2019	23949
More emphasis on teacher/staff evaluation and strategies to retain staff/teachers.	2020	29314
Work around budget and practical experience rather than just theory.	2020	29343
leadership is important - but managerial skills (budgeting and finance) should also be addressed.	2020	29346
Making sure that aspiring principals are working in schools WHILE they earn their degree - you learn much more on the job!	2020	29403
There was very little preparation for the budgeting process.	2020	29434
More and more opportunities for real world learning with examples from people doing the work in real life.	2020	29471

36. What additional commer your transition into school a	nts would you like to make with regard to yo administration?	our mentorship exper	iences and
I felt prepred to make the trans experiences.	sition to school administration because of my me	ntorship 2016	4523
The mentor/mentee program is	s the strongest part of this program.	2018	13304

Mentoring programs should be for both first year principals and assistant principals. I had mentoring as a first year AP and not principal.	2018	13315
No suggestions.	2018	13356
This was a vital part of my success.	2019	18377
No suggestions.	2019	23949
No suggestions.	2020	29314
No suggestions.	2020	29346
There was not formal introduction set up so we just had a hard time connecting due to time constraints.	2020	29434
I would prefer a more involved mentorship. However, I fully recognize the fact that mentors are often very busy which makes it hard to make the time available.	2020	29471
