Beginning sch	ool year:	Ending scho	ol year:
<u>2018</u>	~	2022	~

When running the report, the "beginning school year" should be the calendar year of that spring. (For example, if the first year of teaching/counseling/leadership was Fall 2020 and Spring 2021, then the "beginning school year" for that report would be 2021. If you are running the report for that year of first-year teachers/counselors/principals only, choose the "ending school year" as 2021 as well.)
