

Education

Ph.D. Special Education, Child & Family Studies University of South Florida

Earned in multi-disciplinary child & family policy doctoral program supporting systems of care research. Program was developed by Department of Child & Family Studies, its Research & Training Center for Children's Mental Health and the Department of Special Education.

M.S.W. Social Work San Francisco State University

B.A. History San Francisco State University

Experience

Administrative: Director Child & Family Evidence-Based Practice Consortium; Editor-in-chief *Global Implementation Research and Applications*; Co-editor of three journal special issues or sections; Executive Director of the Parent Assistance Center; Clinical Program Manager in sub-acute residential treatment; Principal investigator multiple child welfare grants; Conference co-chair & development; College budget & steering committees; Social science institutional review board; Chair of department promotion and tenure, and policy committees.

Clinical: Expertise in Multi-systemic Therapy, Structural & Strategic Family Therapy, Wraparound, Positive Behavioral Supports, and other evidence-based practices with children, youth, & families of diverse backgrounds and settings.

Clinical coaching/supervision: Data-informed coaching, video review and live supervision supporting development of staff competence and confidence, model fidelity and improved client outcomes.

Evaluation: Implementation expertise includes clarifying or selecting program model; integration of competency & organization drivers to support effective service delivery; Participatory program implementation and evaluation including adapting case data forms to monitor fidelity & outcomes.

Grants: Federal, state, foundation and local funding secured to develop, improve, or expand services to diverse clientele in behavioral health, child welfare, education, and social service organizations. Grant review for Children's Bureau; W.T. Grant Foundation.

Technical assistance/training provided for federal, state, and local initiatives and governing boards; Administrative, supervisory, & practitioner development in behavioral health, child welfare, education & developmental disability service systems.

Licensure /Professional Affiliations

- LMFT (License # 016452) California Board of Behavioral Sciences
- Clinical Member, American Association for Marriage & Family Therapy
- Council on Social Work Education
- Global Implementation Society
